**Revocation of Accreditation of a Plan, Regime or Policy for the purposes of Part 13
Accreditation of a Plan, Regime or Policy for the purposes of Part 13**

**South Australian Abalone Fishery, South Australian Giant Crab Fishery, South
Australian Prawn Trawl Fisheries, and South Australian Rock Lobster Fishery,
December 2018**

I, PAUL MURPHY, Assistant Secretary, Wildlife Trade and Biosecurity Branch, as
Delegate of the Minister for the Environment:

- a) revoke the accreditation of the management regime for the South Australian fisheries as specified in Schedule 1, and
- b) being satisfied that the management regimes for the same South Australian fisheries, as specified in Schedule 2:
 - i) require persons engaged in fishing under the management regime to take all reasonable steps, to ensure that members of listed threatened species, listed migratory species, cetaceans and listed marine species are not killed or injured as a result of the fishing, and
 - ii) the fisheries to which the management regimes relate, do not, or are not likely to, adversely affect:
 - a) the survival or recovery in nature of any listed threatened species, or
 - b) the conservation status of a listed migratory species, cetacean, or listed marine species or a population of that species,

accredit the management regimes for the South Australian fisheries specified in Schedule 2, under sections 208A, 222A, 245 and 265 of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act) for the purposes of Divisions 1, 2, 3 and 4 respectively of Part 13 of the EPBC Act.

Dated this 18th day of December 2018

Delegate of the Minister for the Environment
